

In-Network Plans for Exact Sciences Precision Oncology Portfolio of Tests

Updated January 10, 2023

Genomic Health, Inc., an Exact Sciences laboratory, bills for the Oncotype®, OncoExTra™ and Riskguard™ tests and is an in-network provider with many health plans, including Aetna, Anthem, Cigna, Humana and UnitedHealthcare. Exact Sciences performs the services ordered and deemed medically necessary, regardless of network-provider status.

In-Network means that Exact Sciences has contracted with the insurer to be part of their preferred lab network. See below for a list of specific insurance plans. This is not an exhaustive list as plans are being added regularly.
